

E-News from Sussex Avenue

In effort to simplify the process of updating parents about news from Sussex Avenue School, parents may sign up to receive Sussex Avenue ***E-News***.

E-News will be sent to registered families to provide occasional updates regarding items of interest, reminders about programs or activities, and Home and School Association information. **Urgent information will continue to be sent through our Honeywell System.**

If you would like to receive Sussex ***E-News***, please send a **blank** email to the following address:

join-sussexave@msd.listserve.us

You will receive a reply email asking that you confirm your request to register for E-News. Follow the instructions contained in this email. We are limited as to the number of Email addresses that can register for E-News, so please limit your registration to only one Email address per family.

In addition to Sussex ***E-News***, parents may also sign up to receive Morris School District ***E-News***. Morris School District ***E-News*** will be sent periodically to update families about news throughout the District.

To sign up for Morris School District E-News, send a blank email to the following address:

join-district@msd.listserve.us

You will receive a reply email asking that you confirm your request to register for E-News. Follow the instructions contained in this email.

We hope you find the Sussex Avenue and Morris School District E-News notices helpful.
